NUNAWADING AND TRITONS RESULTS >>>

Nunawading held their annual Long Course meet on the 19th of November. Lilydale had a small team represent the Club at the meet.

Jamie McLauchlan romped in the 200m Backstroke state time by 8 seconds and came within 0.2 of the 50m Freestyle.

Emma McLauchlan represented well in the 50m Freestyle achieving both State Age and Sprint times.

Lenny Krix snatched the 100m Freestyle narrowly with a very controlled swim.

CA Tritons held their meet the day after with another small group representing the club. Swimmers competing on the Sunday meet seemed to excel with 80% of all swims being Personal Best times.

On an Individual level:

Luke Jones got his first state time in 100m Breaststroke and narrowly missed out on achieving the 100m backstroke.

Kia-Beth Laidler came home strong in both the 50m Butterfly and Freestyle to achieve State Sprint time.

Matthew Gilling proved miracles are possible when he amazingly achieved the 50m Breaststroke State time. Those of you who know Matthew will understand why.

Both meets sore some impressive results and where enjoyed by all.

10 Commandments for Sport Parents

- I. Thou shall not impose thy ambitions on their child.
- II. Thou shall be supportive no matter what.
- III. Thou shall not coach thy child.
- IV. Thou shall only have positive things to say at a competition.
- V. Thou shall acknowledge thy child's fears.
- VI. Thou shall not criticize the officials.
- VII. Thou shall honour thy child's coach.
- VIII. Thou shall be loyal and supportive of thy team.
- IX. Thy child shall have goals besides winning.
- X. Thou shall not expect thy child to become an Olympian.

Victorian Qualifying Meet 1 >>>

The Victorian Qualifying meet is traditionally the last opportunity for swimmers to record Age State Qualifying times. This year we had 16 athletes compete over the first of the 2 weekend. It proved to be a weekend of very successful 200m swims. There were 20 individual 200m races over the weekend, where swimmers knocked an accumulative 1 minute and 48 seconds worth of personal bests.

Some of the big results were:

Julia Algie's 200m Freestyle a 4 second pb and a perfectly split race.

Deanne Drury's 37.09 only .09 off the elusive 36 she had been targeting.

Lachlan Jone's first 400m Individual Medley attempt, which turned out not to be too far from the club record for the event.

Lenny Krix's 200m Breaststroke club record!!!

Jamie and Emma MacLauchlan's demolition of their old 200m Breaststroke pb's

Edward Sims 7 second improvement over 2 swims...WOW

Courtney, Myee and Bronte's great 200m Freestyle pb's

Age Long Course Qualifiers so FAR!!! >>>

This year has seen the emergence of some young and very talented swimmers within the Club this in addition to what is a strong State Team has left us in very good stead for this year Age State Championships. With the 2nd of the Victorian Qualifying meets to go, we already have more Qualifiers in more events than this time last year. I know the team is improving because also have 2 more relay teams this year than we did last. This has been a great outcome for the Club. To recognize the hard work of the swimmers who have qualified I listed all swimmers with Age State Times and the swimmers in relays at this point.

State Qualifiers: Long Course:

Danielle Alger	6 Swims
Julia Algie	3 Swims
Lenny Krix	5 Swims
Jamie McLauchlan	4 Swims
Emma McLauchlan	1 Swim
Asha Puche	4 Swims
Daniel Ringer	7 Swims
Luke Jones	1 Swim
Rebecca Owens	1 Swim

14&Under Female 4*50m Freestyle and Medley Relays

Nutrition the extra 5% >>>

Nutrition in sport is an often forgotten component of success. Many assume if I am fit and healthy I must be eating well, fact is that due to the number of training sessions and the intensity they are completed at it is hard not to at least look fit and healthy.

Fact is many of the swimmers complain about being overtired, getting headaches and cramps all these issues maybe diet related. Just like a car if the right petrol, oil and coolant isn't put in its function is not great the same can be said for our bodies.

With this in mind I have sought out the assistance of a Nutritionist to help take our knowledge on sports nutrition to the next level and then in turn our performances.

Fiona Foley will be offering support in this area in the form of 2 group nutrition sessions (the first of which is planned for late January) and individual consultations. I highly recommend seeing Fiona at least once as she will either find an area of improvement or give you the all clear either of which is of benefit to you as an athlete.
